

PAL MINJAL CONTRACTING

PAL MINJAL

ABOUT US

Welcome to Pal Minjal contracting, a leading electrical contracting company specializing in comprehensive fit-out solutions, MEP (Mechanical, Electrical, and Plumbing) works, maintenance services, and HVAC duct cleaning. With a commitment to quality, safety, and customer satisfaction, we have established ourselves as a trusted partner for residential, commercial, and industrial clients across the region. We pride ourselves on delivering exceptional electrical and MEP services that exceed our clients' expectations. With years of experience in the industry, our team of highly skilled engineers, technicians, and support staff brings together extensive knowledge and expertise to provide reliable and innovative solutions tailored to meet the unique needs of each project.

Company Vision

Our vision is to be the market leader by building long-term relationships founded on innovation, integrity, teamwork, and excellence. We strive to exceed our clients' expectations through continuous improvement, driven by a commitment to quality, value, and customer satisfaction.

Company Mission

Our mission is to honor our commitments to clients by building strong partnerships, delivering superior quality, and providing innovative solutions. We leverage our unique capabilities to execute projects efficiently and effectively, supported by a highly engaged workforce and state-of-the-art infrastructure.

OUR SERVICES

ELECTRICAL INSTALLATIONS

At Pal Minjal, we are experts in providing comprehensive electrical system installations, including wiring, machinery integration, and fixed components for both residential and commercial buildings. Our services cover a wide range of electrical installations, from fuse boxes and solar or generator systems to ceiling lighting, power sockets, and large machinery terminations. Our highly skilled electricians manage the entire project lifecycle, ensuring seamless execution at every stage.

- Planning and Design: Custom-tailored electrical solutions designed to meet the specific requirements of each project.
- Installation: Safe and precise installation of electrical systems and components, adhering to the latest industry standards.
- Commissioning and Testing: Rigorous testing and commissioning to ensure all installations are fully operational and compliant with standards.
- Repairs and Fault Finding: Quick and effective fault diagnosis and repair services to minimize downtime and ensure safety.

ELECTRICAL MAINTENANCE

At Pal Minjal, we specialize in maintaining and repairing all types of electrical devices to ensure smooth operation and prevent unexpected breakdowns. Our comprehensive maintenance services cover both short- and long-term maintenance contracts to meet the needs of our clients in industrial, commercial, and residential properties. Our approach includes a thorough inspection of all electrical equipment and instruments, with regular checklists to prevent faults. We ensure that all electrical connections are tightened, and we consistently monitor and upgrade the power ratings of safety switches.

Our Services Include:

- Rewiring of homes, office buildings, and industrial facilities
- Fault detection and repair
- Fixing faulty lights, switches, and plugs
- Repair of tripping switches and power supply issues
- Connection of hot water systems (geysers, etc.)
- Electrical reticulation

HVAC MAINTENANCE & AIR DUCT DISINFECTION

At Pal Minjal, we prioritize indoor air quality by offering a comprehensive air duct cleaning and disinfection service. Our specialized system ensures that your air ducts, including A/C units, cooker exhausts, and other ventilation systems, remain mold-free. This not only protects your indoor environment but also significantly reduces the risk of air pollution that can lead to respiratory conditions.

Our air duct cleaning process includes:

- A thorough inspection of the entire ventilation system to detect and address any mold or fungal growth.
- High-efficiency cleaning equipment to remove dust, dirt, and other contaminants from the air ducts.
- Disinfection procedures using industry-grade solutions that eradicate mold, bacteria, and other harmful microorganisms.
- Recommendations for regular maintenance schedules to prevent future mold buildup and ensure continuous healthy airflow.

GENERAL MAINTENANCE

We offer competitively priced annual maintenance contracts designed to meet the unique needs of both residential and commercial properties. Our contracts provide comprehensive coverage for AC, Plumbing, Electrical, and Carpentry maintenance and repair services.

- Painting and Decorating Services: Professional painting and finishing to enhance the aesthetic appeal of your property, whether it's for a fresh update or complete renovation.
- Tiling Services: Expert installation and repair of floor and wall tiles, ensuring durability and a flawless finish.
- Home Improvement and Renovation: From minor fixes to complete home makeovers, we provide reliable solutions that enhance the value and functionality of your space.

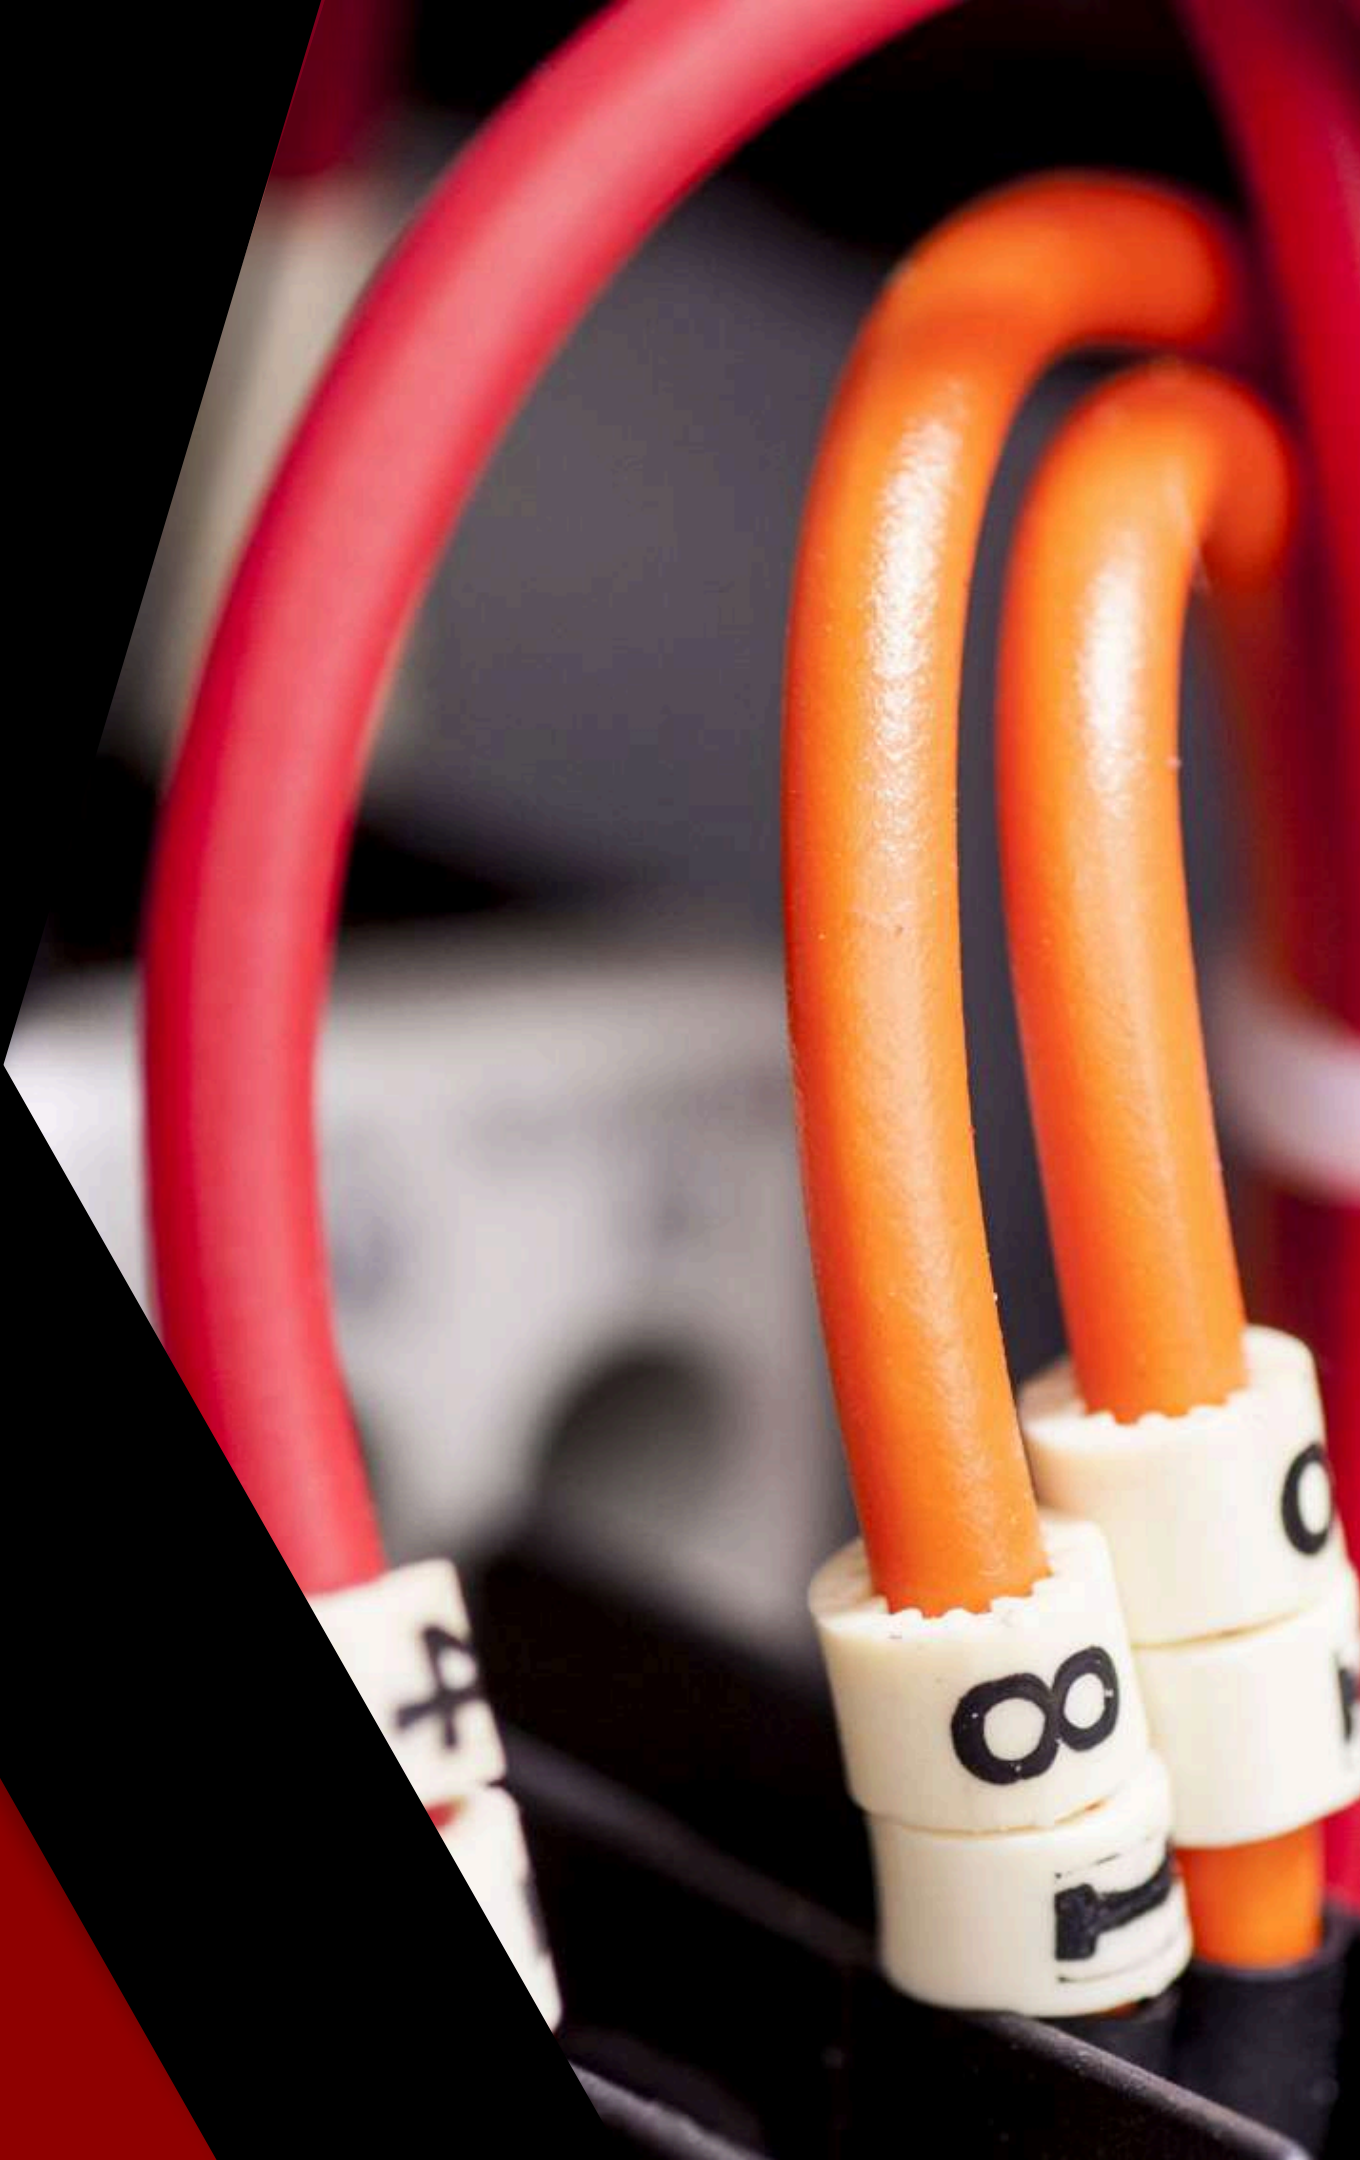

RENOVATIONS AND FIT OUTS

We specialize in the professional design and implementation of fit-outs, from small apartments to large residential and commercial towers. Our fit-out services are customized to meet each client's unique vision and requirements.

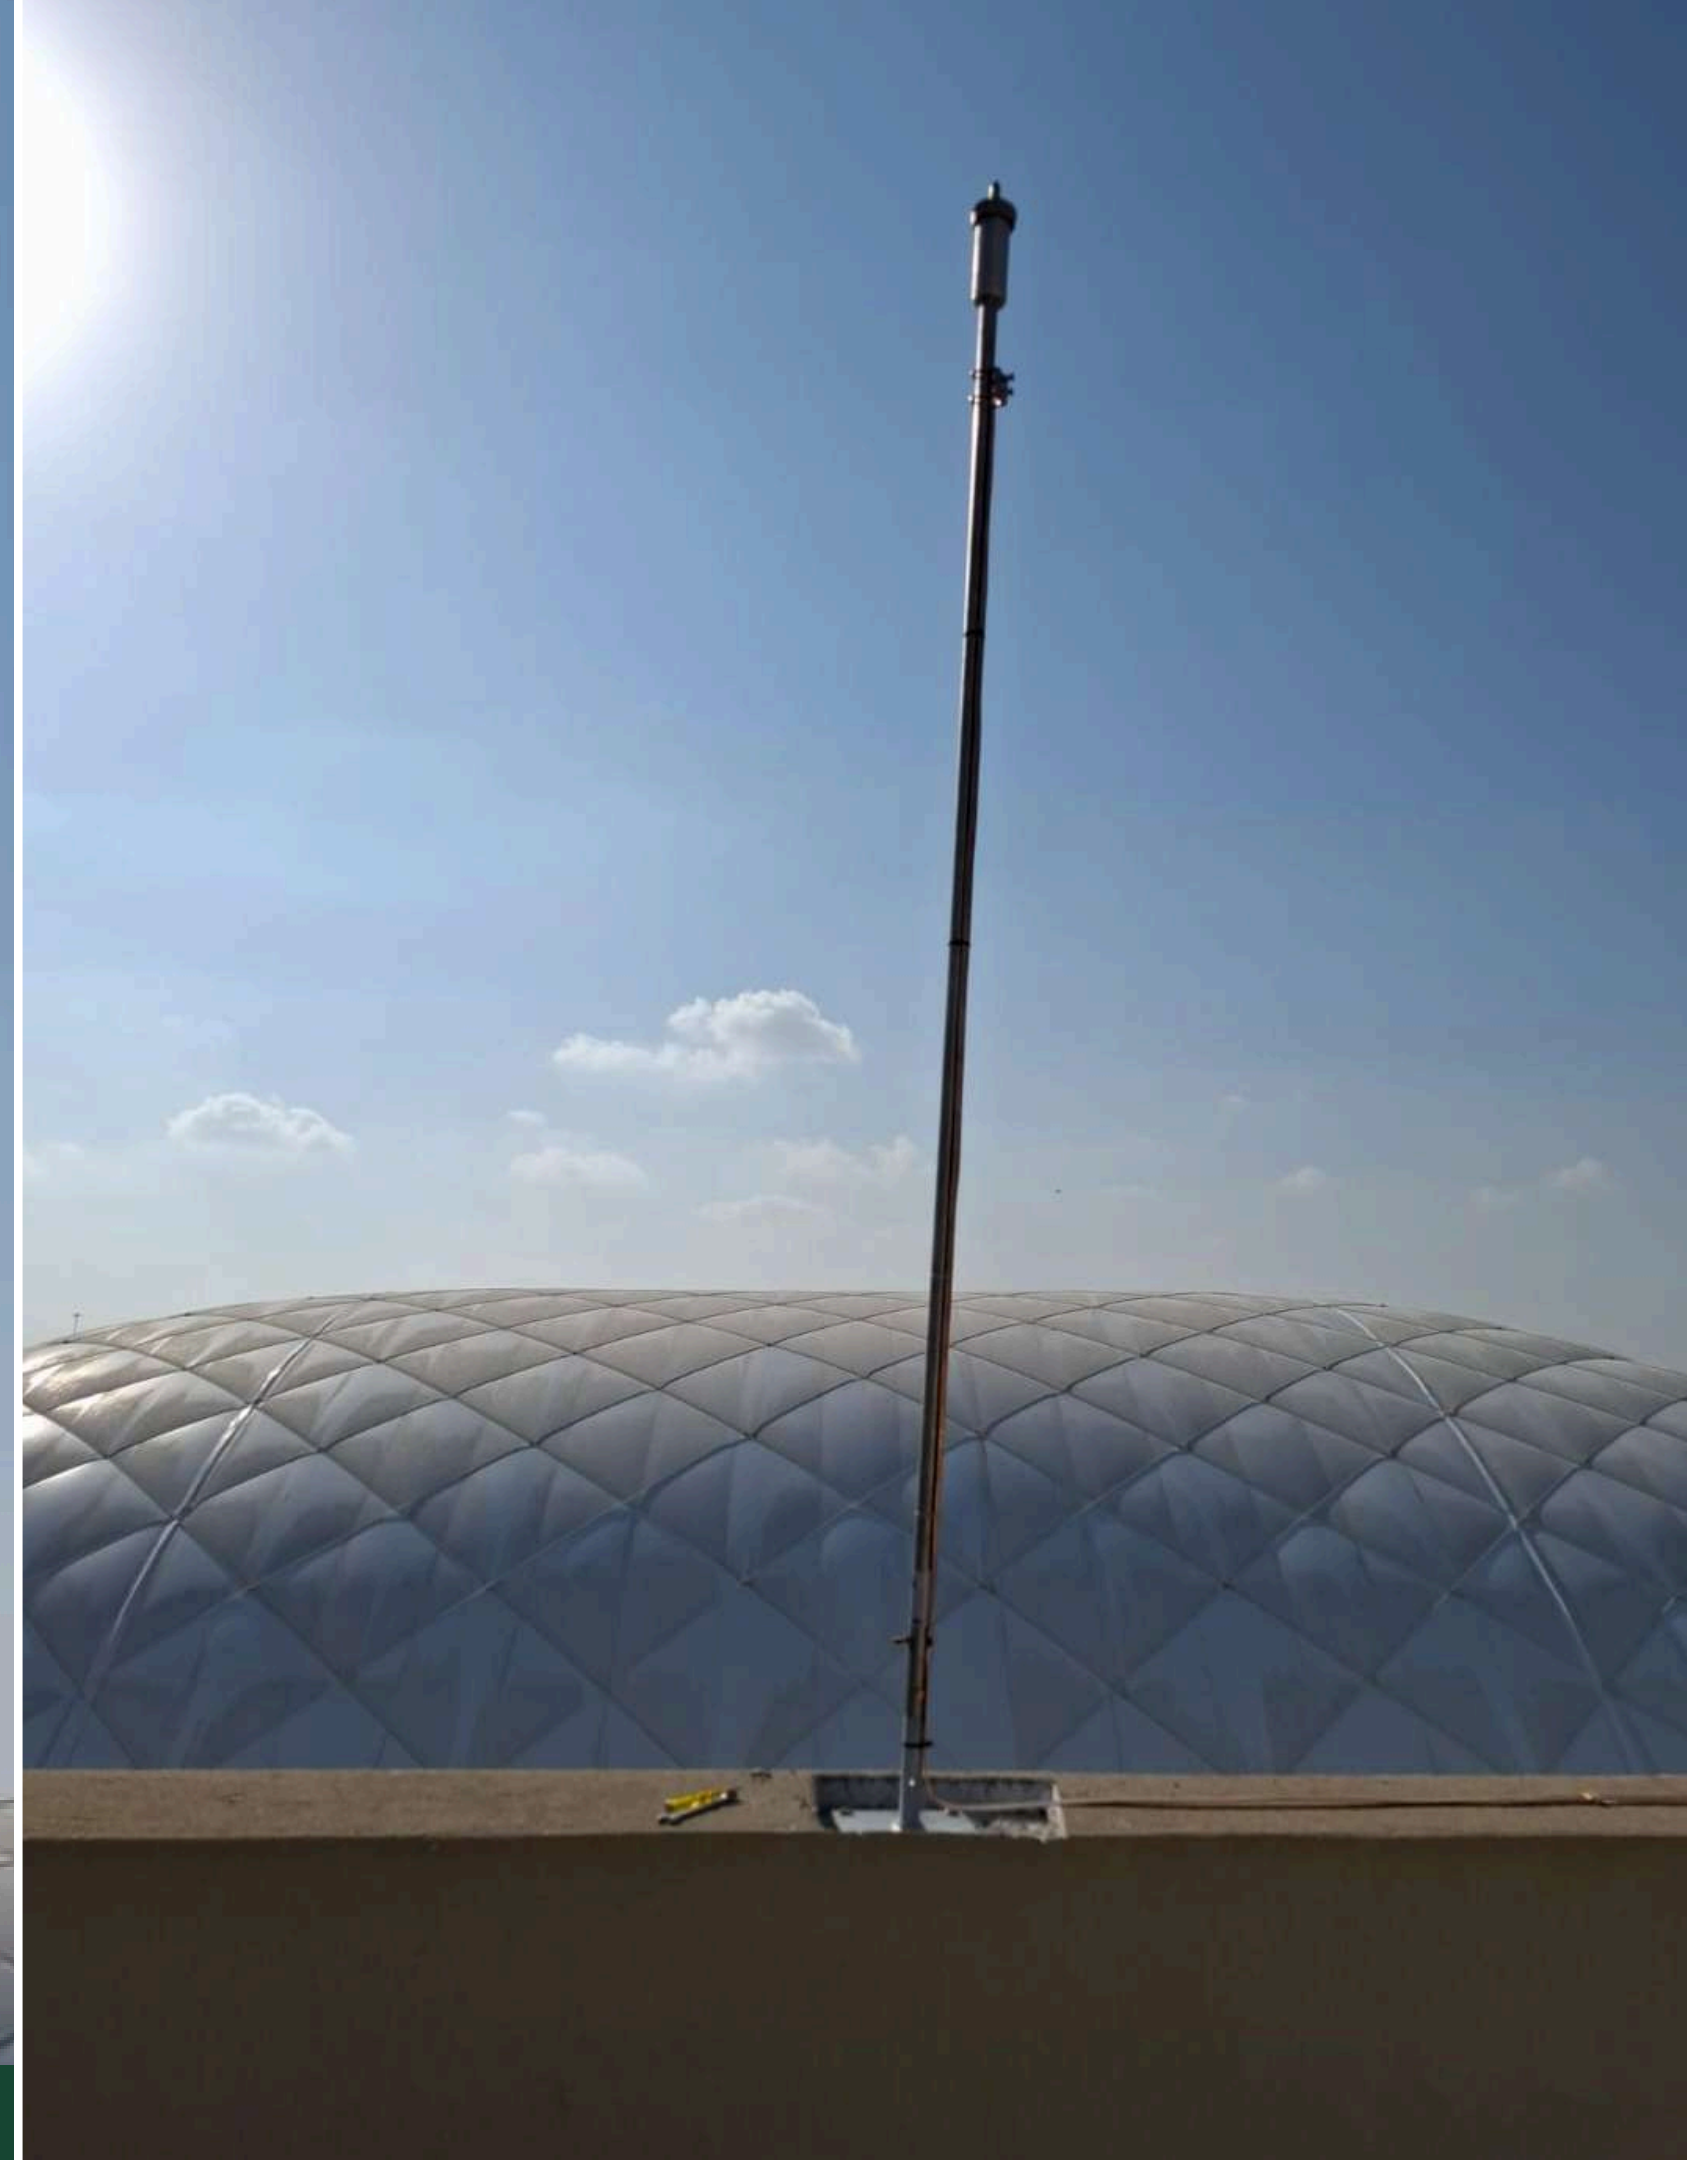

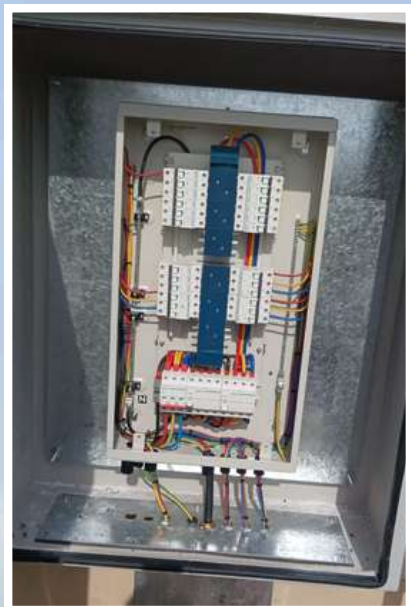

- Painting and Decorating: Expertly applied finishes to revitalize spaces with modern, durable, and aesthetically pleasing designs.
- Floor and Wall Tiling: Precision installation of tiles using high-quality materials for long-lasting durability and a sleek, flawless appearance.
- Partition Building: Construction of internal partitions to optimize space usage while ensuring privacy and structural integrity.
- False Ceilings and Associated Lighting: Installation of stylish and functional false ceilings along with integrated lighting solutions to enhance ambiance and energy efficiency.
- MEP (Mechanical, Electrical, and Plumbing) Modifications: Complete MEP installations and upgrades to meet the specific needs of each project, ensuring safety, functionality, and compliance with local standards.

Attn: Eng. Ibrahim Salameh Rizik, Managing Director

RE: LETTER OF APPRECIATION

Dear Eng. Ibrahim Salameh Rizik,

We would like to express our sincere appreciation for your services to us as one of our most reliable regular suppliers.

Ever since we signed the agreement, you have provided the highest quality products with even better customer service. Delivery and Work completion were often received earlier than promised and expected, and you were quick to resolve any issues.

We look forward to extending our business relation with you for years to come and hope you will continue to provide such excellent service to us.

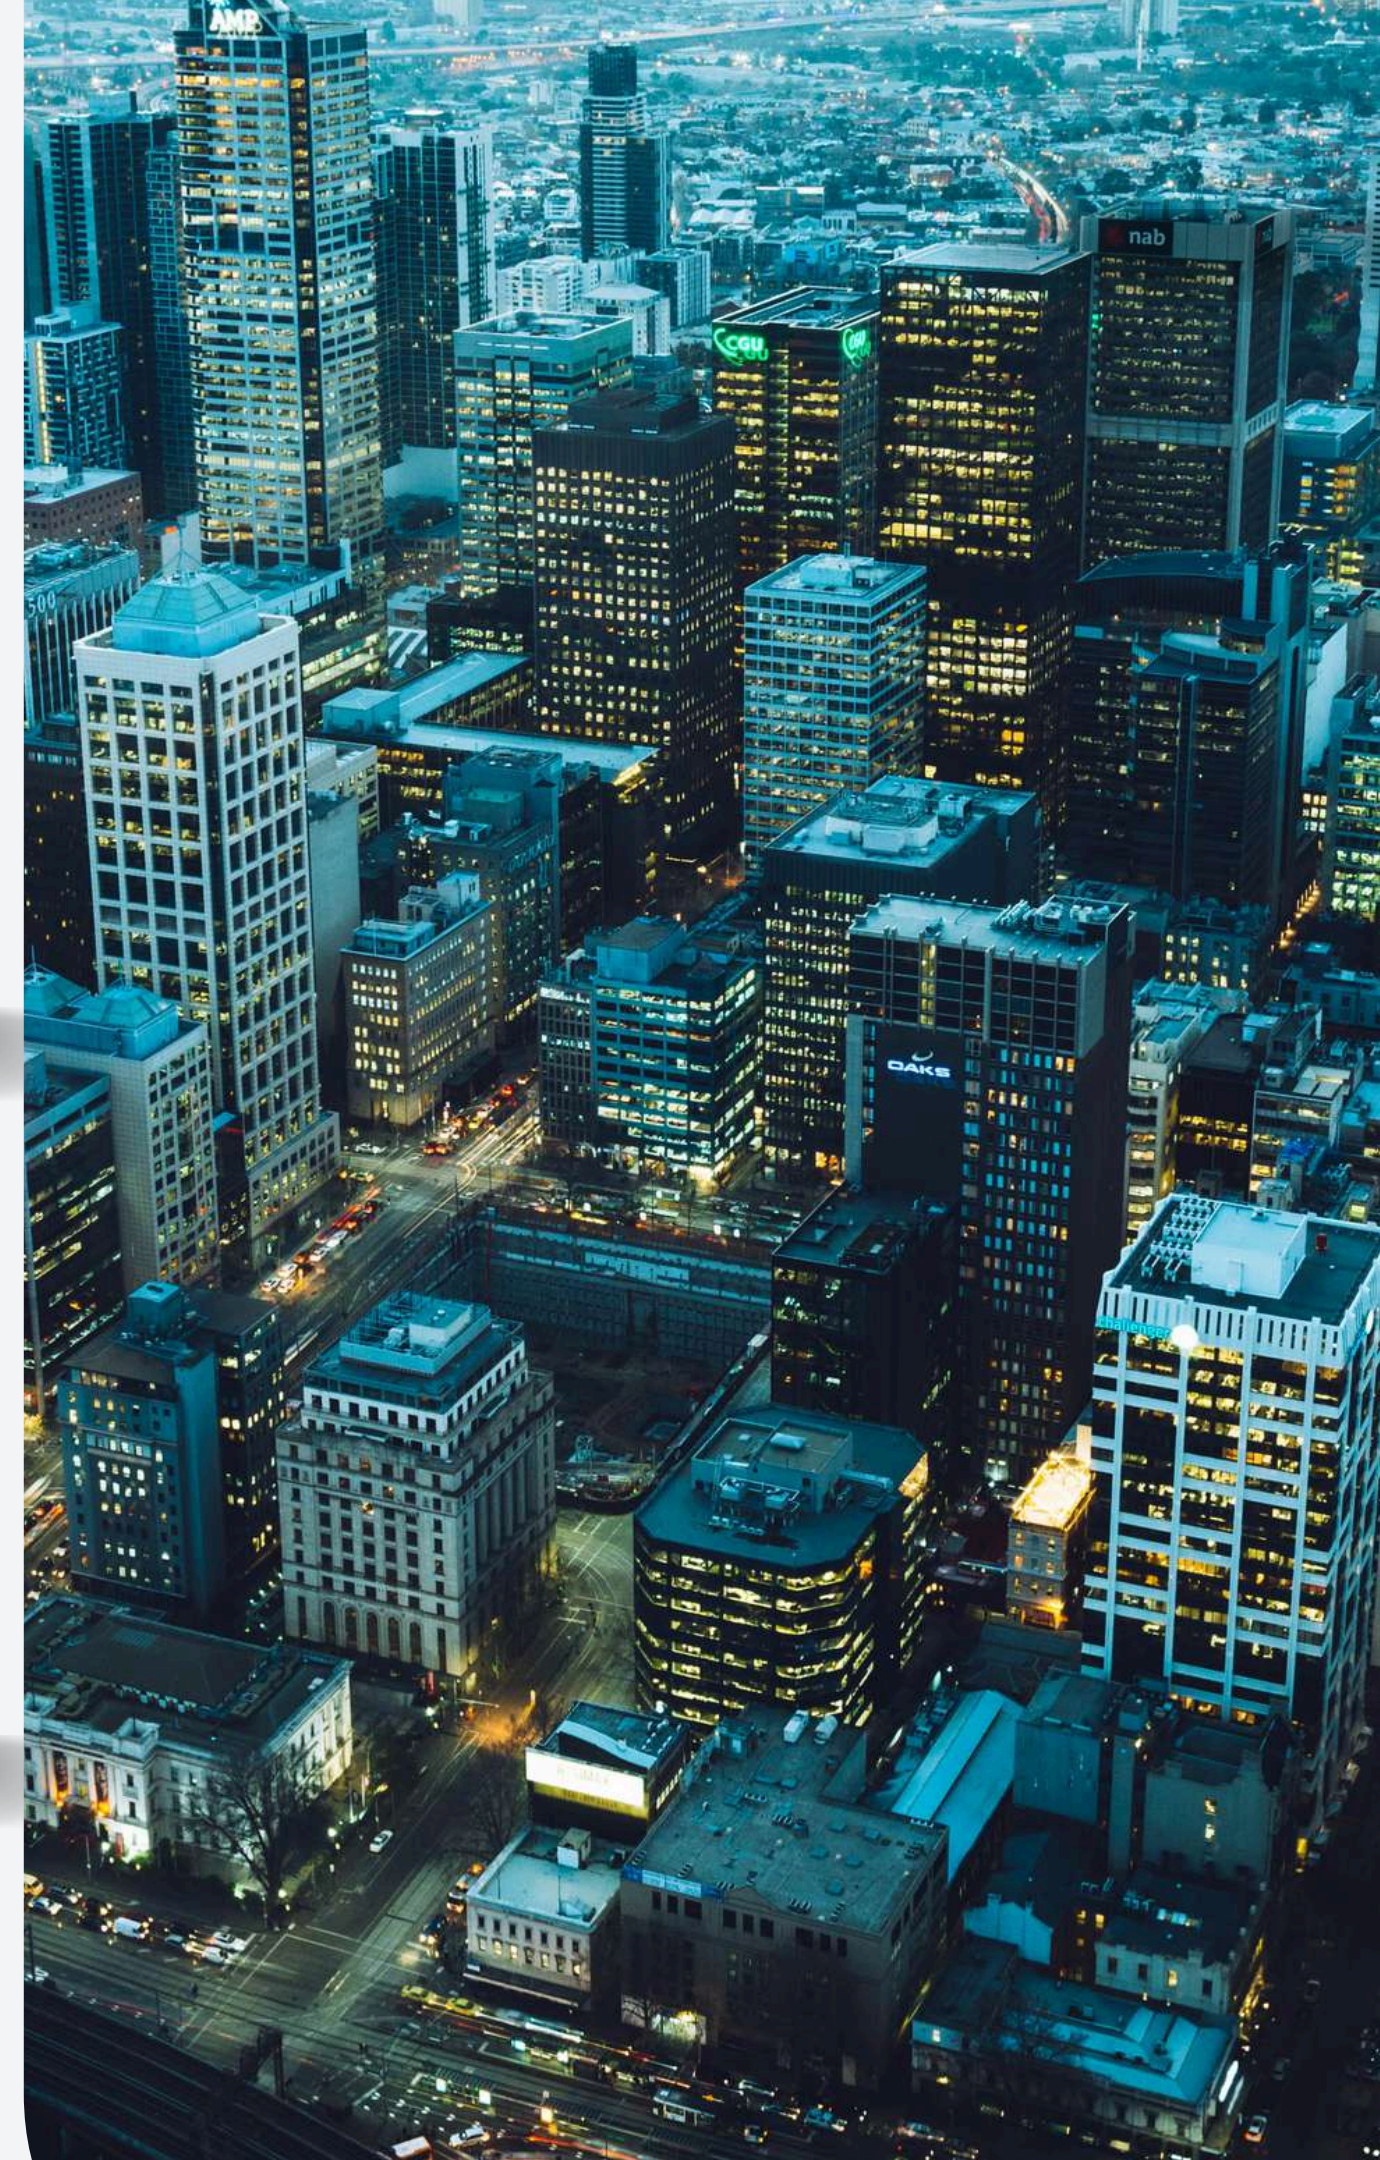

Thank you for a successful first project in business together and we look forward to many more.

Yours faithfully,

Mohamed Saad

Supply Chain Director - Procurement

PROJECT ACCEPTANCE CERTIFICATE

This is to certify the successful completion and acceptance of the professional service deliverable provided by Pal Minjal Contracting - Sole Proprietorship in accordance with the contractual requirements of the project.

Project Name	:	Air Dome - Yas School
Client Name	:	Maharat71
Reference No.	:	PO No. 147/2024 Installation-Dome, 136/2024 Electrical System-Dome, 140/2024 Lightning Protection-Dome, MAHARAT71 TECHNICAL & EDUCATIONAL SERVICES
PO Date	:	24-Aug-2024
Implementation Date:		24-Aug-2024 TO 30-Oct-2024

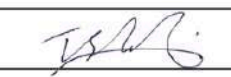

Scope of Work

The electrical contractor was responsible for the complete electrical installation for the **Air Dome Project**, ensuring a reliable power supply and proper system integration. The work included power distribution, lighting, fire alarm, HVAC electrical connections, ELV systems, and lightning protection.

- **Power Supply & Distribution** – Installation of power cables from the main DP to all systems, including termination and connection.
- **Lighting System** – Installation of lighting fixtures and control panels.
- **ELV Systems** – Installation of communication, security, and BMS wiring.
- **Lightning Protection** – Installation of lightning protection and grounding system.
- **Testing & Handover** – Inspection, commissioning, and submission of as-built documents.

Subject: Letter of Appreciation

I hope this letter finds you well. On behalf of BIT Project Management DMCC I would like to extend our deepest gratitude and appreciation for the exceptional service your team has provided to us on our recent projects.

Throughout the course of our collaboration, the professionalism, expertise, and attention to detail demonstrated by yourself and your team has been truly commendable. From the initial consultation to project completion, your team has consistently gone above and beyond to ensure that all mechanical, electrical, and plumbing systems were designed and implemented to the highest standard.

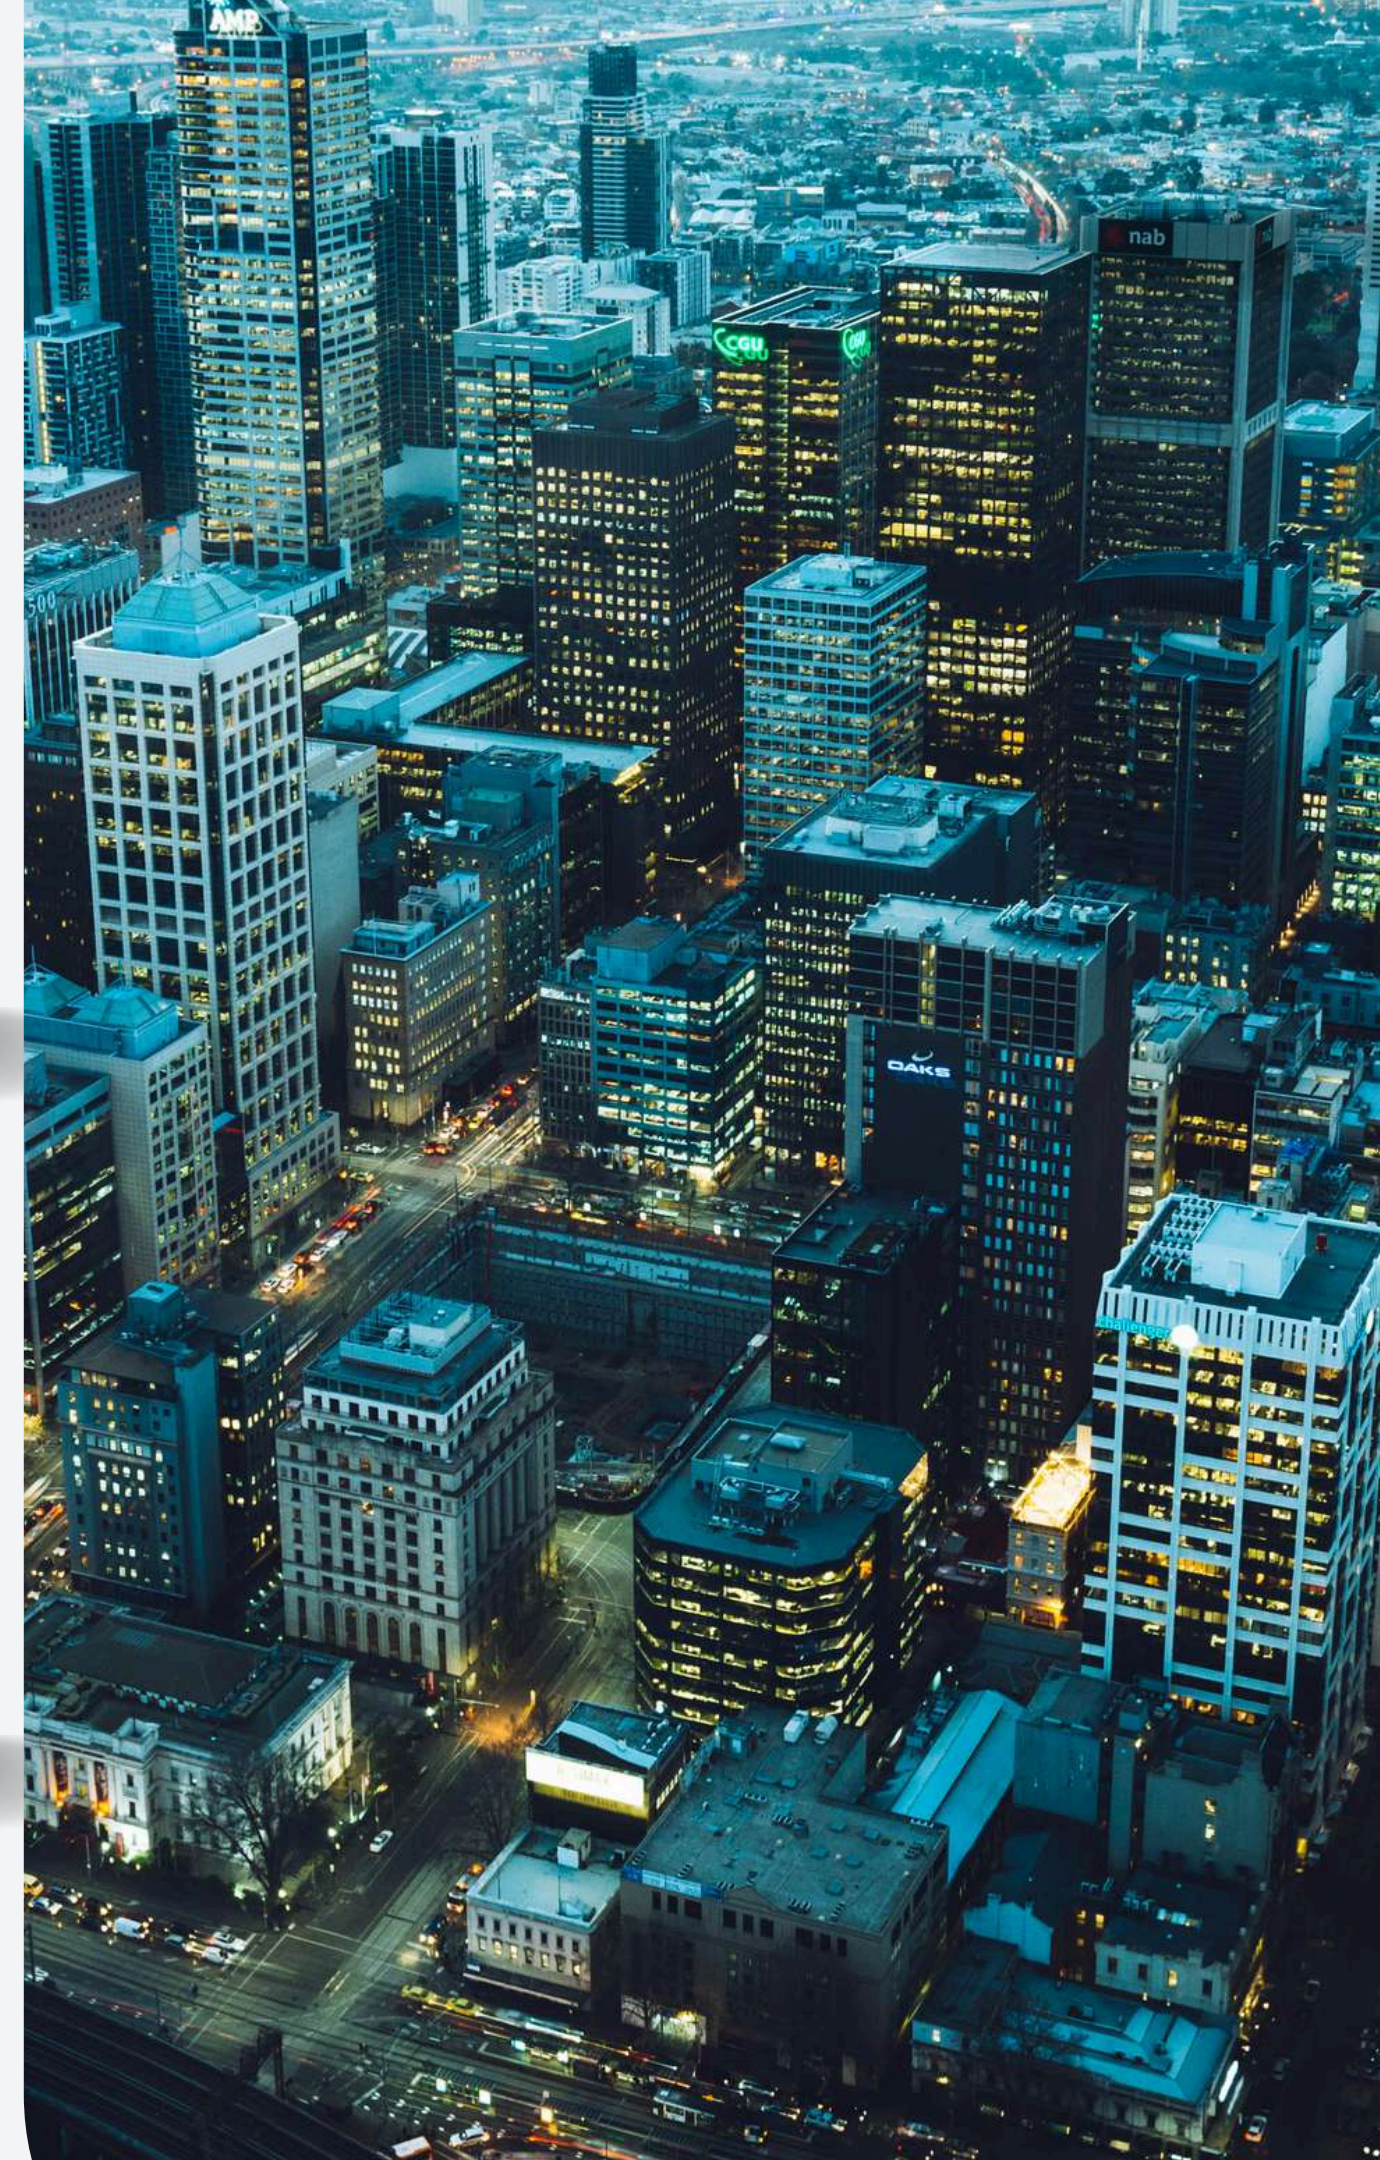

Your dedication to meeting deadlines, adhering to safety protocols, and providing innovative solutions has greatly contributed to the success of our project. The quality of work, responsiveness to our needs, and the ability to resolve issues promptly have not gone unnoticed, and we are genuinely impressed with your company's capabilities.

Once again, thank you for your hard work, professionalism, and unwavering commitment to excellence.

Warm regards,

Director

Nasser Azzeh

**THANK
YOU!**
